Dear Parents and Carers

We are extremely excited about our upcoming colour run and promise it will be bigger and better than last year! With your support last year, we raised an incredible £11,500 and whilst we'd love to match or beat that this year, we have set the children a collective target of £9000 - if they achieve this, they will all be treated to an inflatable's day at the end of term to say thank you for their hard work.

This video has been launched to the children today to explain what they need to do: [Colour Run Video](#)

Please encourage them to ask friends and family to sponsor them for the colour run, last year children were baking cakes, making bracelets, doing jobs to raise money for their sponsorship. They will be coming home with donation instructions and we will keep you updated with our running total as we get closer to the event.

JustGiving link for sponsorship is: [Sponsorship Link](#)

We are working hard to fundraise for a new adventure playground for our children and really appreciate all your support in helping us raise as much money towards this as possible.

Yours sincerely
