Dear Parents/Carers

Important Reminder – Food Tasting and Allergy Consent Form

Thank you to those parents and carers who have already completed our Food Tasting and Allergy Consent Form.

Unfortunately, only around 25% of parents have completed the form so far, which means we still need responses from the vast majority of families.

It is really important that every parent/carer completes the form, even if your child has no known allergies. The information you provide enables us to ensure that our records are up to date and that we have your consent for activities involving food tasting and school milk. As outlined in our original letter, we are seeking parental consent for these activities as part of our updated allergy procedures.

Without consent being recorded, your child will be unable to take part in food tasting activities.

It is also extremely important that we are made aware of any allergies or dietary requirements, including any changes that may have occurred since your child joined the school. This information helps us to keep children safe and ensure that appropriate arrangements are in place.

Please take a few minutes to complete the form as soon as possible by clicking on the following link:

[Food Tasting and Allergy Consent Form](#)

Even if your child has **no known allergies**, please complete the form so that we have a clear and up-to-date record of your wishes.

Thank you for your prompt attention to this important matter and for helping us to keep all of our children safe.

Yours sincerely

Mrs L A de Carteret
Headteacher
